

The estate

The Castel Venezzè Estate is located close to the edge of the small village of San Martino di Venezzè, near the Adige river. Surrounded by the tranquillity of two hundred hectares of green land, its enviable location makes it ideal for day trips to Venice, Bologna (80 km), Verona (90 km), Padua, Ferrara (35 km) and to the Natural Park of the Delta del Po (20 km).

For those who loves sports activities 7 Km away is a horse centre with handling and horse riding school. 40 km away is the Golf Club of Albarella.

The history

The Estate Castel Venezzè takes its name from an ancient castle that was destroyed in the September of 1404 by Ugucione dè Contrari, in the service of Nicolò d' Este in a fight against the Veneziani.

The family Frasseti or Venezzè, already in the territory since 1300, as is recorded in notarial deeds, side by side to the name of the protecting Saint Martino, resided in the Castle until the times of the Carraresi.

The estate is currently property of the descendants of this noble and prestigious Venetian family.

Rooms en suite

We offer comfortable Standard, Comfort, Superior and Grand Superior rooms. They are all equipped with Sat-TV, heating, air conditioning. Each room has its own fully equipped private en-suite bathroom with shower. The comfort of the rooms guarantees the maximum of privacy, in a warm, kind and pleasant atmosphere.

A rich breakfast is served in the charming dining room each morning. It is a buffet-style breakfast with corn flakes, yogurt, coffee, milk, tea, various jams, eggs, orange juice, and often home-made cakes and bread.
